"Tap-to-pay works flawlessly even on transit. Love the haptic confirmation."

Play Store · Payments · 2026-04-08

Three Action Ideas

1. Trim sign-up to 4 steps

Defer optional KYC fields (employer, maiden name) to first transaction.

ONBOARDING

2. Surface KYC status & ETA

Show a live tracker (received !' reviewing !' decision) with a max 48h SLA.

KYC

3. Promote autopay setup

Add a one-tap recurring payment shortcut from the receipt screen.
